

Marrakech

This beautiful apartment is located high in the house and the view from the Moroccan bed has to be seen to be believed. Lie back in the cushions and watch the everchanging vista outside the double windows. Or, watch a movie on the TV at your feet (Sky premium movie package and DVD player standard). The bedroom is a soothing haven and with the window open a crack you can fall asleep to the sound of the waves on the beach. The brand new kitchen is well equipped and a microwave and washer/dryer are located in the alcove.
